With the above signature, the examiner confirms that the candidate has passed the oral component of the Sprachkompetenzprüfung for the Lehrdiplom (cf. Studienordnung zum Studiengang "Lehrdiplom für Maturitätsschulen", B Besonderer Teil, § 6) with the grade indicated above.

Please note: A completed Bachelor degree in English is a prerequisite for taking the Sprachkompetenz examinations. The final grade for the 1 ECTS Sprachkompetenz module will be comprised of 50% of each pass grade for the respective translation and colloquium examinations. The module will be booked and added by the English Department adviser of studies or grade administrator once both components have been successfully completed. It is not possible to receive credit for just one of the two examinations. Successful completion of both components is a prerequisite for the cross-module Lehrdiplom examinations (cf. Studienordnung zum Studiengang "Lehrdiplom für Maturitätsschulen", B Besonderer Teil, § 3.4 and § 6).
