

# Transition from the old 120-ECTS Bachelor Major in English to the new 120-ECTS Major

## Checklist for Program Requirements

**Disclaimer:** The applicable legal regulations can be found in the framework ordinance (*Rahmenverordnung*) and the program regulation (*Studienordnung*) for the Faculty of Arts and Social Sciences. The information below is for illustrative purposes only and should be regarded as a recommendation. In case of any contradictions between this document and the legal regulations or between the German version and a translation, only the legal regulations or the German version, respectively, have legal bearing. – **Note:** It is your responsibility to fill in the information correctly. We do not accept any responsibility for mistakes.

The aim of this checklist is to help you keep track of your studies. It allows you:

- to see, at a glance, which program requirements you have already fulfilled;
- to have an overview of all the requirements that you still need to fulfill.

If you can check all the checkboxes in the “Done?” column, then this means that you have fulfilled the requirements for the Bachelor Major in English Literature and Linguistics (120 ECTS).
